

After Dinner Amusements: NAME THAT TUNE!

The game includes 25 Music Trivia Cards and 25 Challenge Cards.
Chronicle Books, 51 cards, 2 or more players, for ages 8 and above.

INSTRUCTIONS PROVIDED IN THE TIN BOX:

Make sweet music with these trivia and challenge cards. Take turns pulling a card from the deck and reading the question out loud. Keep a pencil and paper handy for some of the challenge cards. Whoever answers the question correctly gets to keep the card. The player with the most cards at the end of the game wins!

POSSIBLE GAME ADAPTATIONS:

If you would like to modify the game by adding some adaptations - we have a few ideas for you. You and your family may think of more.

1. The game cards can be used in the following ways:
 - a. Shuffle the 50 cards and players draw from the large deck.
 - b. Divide the cards into 2 stacks: a Trivia deck and a Challenge deck. The players can alternate between the two decks.
2. The trivia questions may be difficult - encourage players to:
 - a. Use Siri on a smartphone to search Google for answers
 - b. Use a laptop or computer to google their answers.
 - c. Phone or text a friend
3. Some questions require writing answers. The players can use their braille writer or use the Notes APP on the iPhone to write and store answers.
4. If a question asks for a timer, use a timer on iPhone or parents could use their own kitchen or other type of timer.
5. Extend time for cards that may have a lot of typing or writing to do – Like the ABC Challenge card for example.

Have fun playing NAME THAT TUNE!
