

Mobile STEM Unit

Ignite the STEM fire in your students!

Schedule the Kansas State School for the Blind Mobile STEM Unit for an inclusive classroom event. We bring quality, hands-on, and interactive STEM activities which includes students who are blind or visually impaired. Using access technology and simple adaptations, ALL students have the opportunity to explore, analyze, & engage in trial and error investigations while experiencing the joy of discovery.

1st-8th grade level appropriate.

GOALS INCLUDE
