

# Low Vision on the Road: Career Readiness Forum

## High School Students with Low Vision will:

- ✔ Explore & utilize handheld optical devices
- ✔ Learn & practice self-determination strategies
- ✔ Interact with other students with low vision
- ✔ Attend the ESSDACK Career Expo to explore potential career fields

Simultaneous activities for TSVIs/COMSs/Instructional Aids will be offered and will provide professional development points for professionals who attend with their students.

Attendance is limited to 12 HIGH SCHOOL or Transition (18-21) students.
