

# EXPANDED CORE ON THE ROAD ESY 2024

Hays L.I.F.E is merging with Expanded Core on the Road into an all new ESY program for 2024! The same Lifetime Independence Focused Education activities will be offered in four locations across central and western Kansas in June. This FREE program is intended for students who are new to KSSB ESY and/or not ready to spend 1-3 weeks traveling back and forth to Kansas City. Students will explore and practice with Access Technology, STEM activities, Independent Living including cooking meals, interacting with other students with visual impairments, and MUCH MORE!

*This Program is FREE to attend. It is NOT an IEP requirement. Space is limited to 10 students per session. Applicants can apply to more than one location.*
