

K.S.E.E. ELEMENTARY & MIDDLE SCHOOL SUMMER PROGRAM

The **Kansas Summer Expanded Education Program** for Elementary and Middle School participants is to focus on instruction in the nine areas of the Expanded Core Curriculum while participants engage in a fun-filled, dynamic learning program. Participants will rotate through ECC domains during this three week-long program. Braille, Access Technology, and Orientation and Mobility are embedded each day while focus classes of Recreation and Leisure, Activities of Daily Living, and STEM/Maker Space will challenge participants to reach their fullest potential.

K.S.E.E. participants will come Monday - Friday and go home on the weekends. Students residing in the dorms will arrive on Sundays after 3:00 pm. M-TH classes begin at 8:00 am and end at 3:00 pm. Friday classes begin at 8:00 am and dismiss at 12:30 pm.
