

KANSAS PREP SUMMER PROGRAM

The **Kansas Summer Preparatory Residential Enrichment Program** offers experiential learning related to job exploration, development of job skills, and understanding workplace culture. This session provides advanced Expanded Core Curriculum experiences in a residential setting for participants who plan to enter the world of work or post-secondary education. All areas of the Expanded Core Curriculum are embedded into this life-changing program.

KS PREP participants will be on-site at KSSB's campus for two weeks: June 3-14, 2024, including the weekend of June 7-9. Official kickoff to the program begins Sunday, June 2, 2024 at 3:00 pm. The program concludes on June 14, 2024 at 12:30 pm.
