

KSSB PRESCHOOL PROGRAM

KSSB EXTENDED SCHOOL YEAR 2024

The goal of the Kansas State School for the Blind **Preschool Program** for ages 2 to 5 is to emphasize Expanded Core Curriculum domains which are unique to students with visual impairments. Participants increase concept knowledge and skills through intentional instruction and experienced-based learning in a safe, nurturing environment.

KSSB Preschool Enrichment participants will be on-site at KSSB's campus for three weeks: June 4-6; June 11-13; and June 18-20, 2024. These students will attend Tuesdays and Thursdays from 8:45 am to 11:45 am.
