

## Project SEARCH Newsletter

KSSB & North Kansas City YMCA | October 2024

The Project SEARCH Interns helped close out the 2024 Garden season. The Interns took out the plants before the frost ruined them. Tomato, cabbage, brussels sprouts, beans and radishes were all harvested. All of the garden equipment is now being organized in the greenhouse by the Interns.

## KSSB & North Kansas City YMCA | October 2024

The Interns are keeping busy stocking and managing the Food Pantry. The Interns are helping Harvesters conduct a survey on Food Pantry satisfaction. Greeting customers, helping YMCA guests and being a friendly face, are all a part of running the Food Pantry.

## KSSB & North Kansas City YMCA | October 2024

Cleaning up rooms after weekend events and setting up rooms for week day events are a big part of the Interns day. Book Club, Painting Club, birthday parties, yoga classes, and senior informational classes are just some of the events that take place at the YMCA on a weekly basis.

*"We are incredibly grateful for the students who help us in the garden and with our food programs. Their support means the world to us and we truly appreciate all of their efforts. Tim is a phenomenal leader. His genuine commitment and passion for helping others is very inspiring. - Patrick, North KC YMCA*
